

ELEVATING EVERYDAY LIFE
KALEA CT FUTURA

KALEA 
LIFTS

Kalea makes it easy for you to find the perfect lift solution. Our speciality is high-quality, modular lifts which will adapt to your requirements for comfort and style.

Kalea C1 Futura is a screw-driven cabin lift, designed to be elegant, space-saving and easy to install. Discover a unique lift which will take your everyday life to the next level, without costing a fortune.

1898
SINCE

THE SMART CHOICE

THE SMART CHOICE

The modular construction of Kalea C1 Futura enables us to streamline our lift production, but also offers you several advantages: Your lift can be delivered and installed a lot faster than other lifts, while our ready-made lift concept minimises the need for refurbishment and reduces your building costs. In addition, our screw-driven system is very reliable and low-maintenance, compared to other drive systems.

C1
FUTURA

PERFECT FOR PUBLIC ACCESSIBILITY

Kalea C1 Futura is a very safe and user-friendly accessibility solution, suitable for establishments such as schools, museums and public institutions. To comply with European Accessibility Standards the control panel is available with tactile, illuminated push buttons equipped with Braille.

IDEAL LIFT FOR COMMERCIAL USE

For commercial, industrial and retail buildings, Kalea C1 Futura offers you an elegant, efficient and adaptable lift solution. Our great choice of colours and materials makes it easy for you to create a lift design, perfectly in tune with your brand and sense of style.

BUILT-IN TO BLEND IN Kalea C1 Futura is available without a shaft for easy installation inside a site-built or existing lift shaft.

FLOOR

Standard carpet - Altro Walkway - Classified A+ in the Green Guide with slip resistance R10. Black 100% phtalate free vinyl.

FLOOR

Kalea offers a variation of floor options with selected patterns like Forbo Surestep Material Black Seagrass 18572.

FLOOR

All floors contain recycled material. The durable and anti-slip treated surface is suitable for public environments.

CABIN WALLS

Rustic oak continues to be a strong trend and looks just as great in a country home as in an industrial style flat.

CABIN WALLS

Blonde wood makes your room look light, airy and sophisticated in a very Scandinavian fashion.

CALL BUTTON

C1 Futura is available with elegant and user-friendly touchscreen controls inside the cabin and on the landings.

SEAMLESS INTEGRATION

The small footprint, low pit and reduced top height enable Kalea C1 Futura to integrate seamlessly with both new and existing buildings. Thanks to the compact modular construction of Kalea C1 Futura, your building costs are brought down to a minimum.

FAST DELIVERY & INSTALLATION

Kalea C1 Futura is not a conventional lift, but it offers you a comparable level of comfort as well as many other advantages. While a conventional lift often takes several months to manufacture and several weeks to install, Kalea C1 Futura can be manufactured in a matter of weeks and installed in just a few days.

TIMELESS SCANDINAVIAN DESIGN

Kalea C1 Futura is available with a lift shaft and cabin in glass so that you can make the most of your natural light and beautiful views.

The simple lines and clean look of Kalea C1 Futura allows the lift to blend in with any architectural style. True to the Scandinavian design tradition where function and beauty go hand in hand, Kalea C1 Futura is a lift that never goes out of style.

CREATE YOUR UNIQUE LIFT

Kalea C1 Futura makes it possible to create a unique lift design that is perfectly in tune with your building. Our wide range of design options including colours, materials and cabin features, makes it easy to create a bespoke lift design.

Kalea C1 Futura offers you the freedom to design the lift of your dreams. Visit our website for inspiration – www.kalealifts.com.

FLOOR

The floor is a key element of the overall lift design. Kalea C1 Futura can be fitted with the floor tiles or laminate of your choice.

FLOOR

Forbo Surestep Wood Rustic Oak 18972 creates as nice contrast to our different cabin colours or can be combined with walls in a matching oak wood pattern.

FLOOR

Add your own personal touch. We deliver the cabin without floor covering, you choose whatever floor you like.

CABIN WALLS

Brushed Argent is a metal laminate with a stainless steel look. If you are looking to create a timeless lift design, this is a great choice.

CABIN WALLS

The Black Wood laminate is a bold and elegant choice, that will add a sense of mystery and drama to any room.

CABIN WALLS

Oyster Grey is an example of our plain coloured laminates. This light and sophisticated hue will blend in beautifully with most interiors.

CABIN FEATURES

You decide exactly how you want to design and equip your cabin. Choose from a wide range of control panels, doors, buttons and lights.

CLASSIC CONTROL PANEL

The classic control panel is equipped with tactile and illuminated push buttons. The panel is available in up to 300 colours or in brushed stainless steel.

DOORS

The telescopic sliding doors are available in steel or glass. Both door models are available in up to 300 colours. In addition, the steel doors can be delivered with EI60 fire rating or in a stainless steel finish.

CLASSIC CALL BUTTONS

The classic push buttons are tactile and equipped with a backlight.

CEILING WITH LED LIGHTS

The ceiling with durable, energy-saving LED lights is available in up to 300 different colours.

LED LIGHT DIFFUSER CEILING

The white, frosted diffuser ceiling is illuminated by durable, energy-saving LED lights.

MIRROR

A full-height mirror is available for the cabin wall opposite the door.

TOUCHSCREEN CONTROL PANEL

The contemporary design of this elegant control panel includes user-friendly and highly responsive touchscreen buttons and an integrated floor level indicator.*

TOUCHSCREEN CALL BUTTON

User-friendly and highly responsive touchscreen call button with integrated level indicator.*

* Touchscreen controls are only recommended for locations with a low risk of reckless use or vandalism.

**Mirror wall available for side A/C

SPACE-SAVING LIFT DESIGN

Most conventional lifts, such as hydraulic lifts and traction lifts, require extensive refurbishment for the deep pit and big headroom.

Kalea C1 Futura integrates seamlessly with your building and needs only minimal refurbishment.

ACCESSORIES

Push button

RFID tag reader for auto lock

Key lock for auto lock/central lock

Touchscreen call button with integrated level indicator

Level indicator in elegant zinc frame

Code lock for auto lock

Other lock solutions are available. For more information, please contact Kalea.

Touchscreen controls are not suitable for projects required to meet European Accessibility Standard for lifts EN 81-70. For such projects, mechanical push buttons are advised. EN 81-70 also includes other requirements. Please contact your Kalea dealer for more information.

SCREW-DRIVEN INNOVATION

The Kalea brand was created in 1898 and in 2008, our company became a member of Cibes Lift Group. Together, we have sold more than 40 000 lifts across the world. To take our business and

your comfort to the next level, we have created a completely new lift which combines the greatest benefits of platform lift technology with the most convenient features of a conventional lift.

DISCOVER THE ADVANTAGES OF SCREW-DRIVEN CABIN LIFT KALEA C1 FUTURA

- **Reduced top height**
The 2500 mm top height fits easily under most ceilings.
- **Machine room less**
The machinery fits inside the shaft, no need for a separate machine room.
- **Screw-driven system**
Reliable 100% electric screw-driven system, no hydraulics.
- **Energy-saving LED technology**
The ceiling is illuminated by durable and energy-saving LED lights.
- **Automatic telescopic doors**
Automatic telescopic doors for landings and cabin.
- **Space-saving doors**
The doors slide open without obstructing the space on the landings.
- **One touch operation**
One touch operation at landings and inside the cabin.
- **Reduced lift pit**
At the bottom floor, a shallow pit of 100 mm is enough.

VERSATILE DESIGN

Design should be beautiful, but also versatile enough to cater for different needs and requirements. To adapt to public, commercial and private settings,

C1 Futura is available in three design concepts, whose elements can be combined to suit your needs.

- **Ceiling with LED spotlights**
- **Multi-functional integrated speaker**
Speaker for emergency phone, voice announcement and arrival signal.
- **Level indicator**
The 3" display is integrated with the control panel.
- **Control panel with push buttons**
Tactile push buttons with back light.

ONE TOUCH OPERATION
- Destination buttons with one touch operation.

ALARM BUTTON
- Activates the alarm signal and the emergency telephone.*

DOOR OPENING BUTTON
- **Handrail**
Elegant, ergonomic handrail in black anodized aluminium.

- **LED light diffuser ceiling**
- **Multi-functional integrated speaker**
Speaker for emergency phone, voice announcement and arrival signal.
- **Level indicator**
The 3" display is integrated with the control panel.
- **Control panel with touchscreen**
User-friendly and responsive touchscreen controls with back light.

ONE TOUCH OPERATION
- Destination buttons with one touch operation.

ALARM BUTTON
- Activates the alarm signal and the emergency telephone.*

DOOR OPENING BUTTON
- **Handrail**
Elegant, ergonomic handrail in black anodized aluminium.

* Built-in, hands-free telephone Safeline MX3.

1100 x 1700	1100 x 2130	700 x 1144	900 x 1144

* Width = side A/C, Depth = side B

THIS IS KALEA

Kalea was created in 1898 in Gothenburg, Sweden, and is one of the oldest lift brands still in existence. In 2008, Kalea became a member of Cibes Lift Group, one of the world's largest manufacturers of space-saving, modular lifts. All lifts are manufactured in our factory in Gävle, Sweden, and distributed to more than 70 countries via a network of 200 certified dealers. Visit www.kalealifts.com to find your closest dealer.

All Kalea lift models carry the CE mark and go through extensive testing and quality checks before leaving our factory. Our lifts are certified products that comply with European Safety Standard Machinery Directive 2006/42/EC. The brand Kalea Lifts is owned by Cibes Lift Group AB ©. For more product details and information about the product and accessory selection, contact Kalea Lifts. This product information is general, and we reserve the right to modify product design and specifications. Minor deviations in colour reproduction can occur.
